

**Greenwood Animal Rehabilitation Center to Open High End Consignment Store in Boulder**  
*Retail Outlet to Offer Estate Quality Merchandise*

BOULDER, CO—April 2, 2012—Greenwood Wildlife Rehabilitation Center, located in Lyons, announced today that it will open a high end consignment store, Greenwood Consignment Gallery, at 3600 Arapahoe Avenue on Monday, April 16, 2012. The location will also serve as the new home of the Greenwood Thrift Shop which will re-open **on April 6 after moving from Walnut Gardens.**

[Greenwood Wildlife Rehabilitation Center](#) is a local non-profit organization that is devoted to the rehabilitation and release of orphaned, sick, and injured wildlife, treating more than 2,400 animals each **year. One** hundred percent of the net profits of both retail outlets will **benefit Colorado's** wildlife in need.

“As the cost of rehabilitating the growing number of orphaned and injured animals increases, we continue to seek new avenues to maintain the sustainability of Greenwood,” stated Linda Tyler, executive director. “We believe the addition of the consignment gallery to our already successful thrift shop will be a terrific means to **raise much** needed funds. We’re offering the ideal venue for people to donate items as well as consign merchandise with a local non-profit organization.”

Greenwood Consignment Gallery will offer estate quality merchandise including jewelry, art, home décor and furniture, and will begin accepting items for consignment on April 2, 2012. Meanwhile, the Greenwood Thrift Store will continue to sell donated and gently used second-hand items including clothing, books, household goods and toys at the new location.

For additional information on donating or consigning items, contact Roseanne Ashley, retail manager at: (303) 245-0800, or by email: [gwthrift@estreet.com](mailto:gwthrift@estreet.com).

Since 1993, Greenwood's mission has been to rehabilitate sick, injured and orphaned wildlife for release into appropriate habitats. Greenwood also strives to educate the public, emphasizing humane solutions to human/wildlife interactions.
